### I, Me, You, We: Individuality Versus Conformity: English Lessons for Gifted and Advanced Learners in Years 6–8

Emily Mofield, Tamra Stambaugh • 9781760017330

In I, You, Me, We, students explore essential questions such as “How does our environment shape our identity? What are the consequences of conforming to a group? When does social conformity go too far?” This unit, aligned to the Australian Curriculum, includes a major emphasis on rigorous evidence-based discourse through the study of common themes across rich, challenging non-fiction and fictional texts. Guide students to examine the fine line of individuality versus conformity through the related concepts of belongingness, community, civil disobedience, self-reliance and questioning the status quo by engaging in creative activities, Socratic seminars, literary analyses and debates.

### In the Mind's Eye: Truth Versus Perception: English Lessons for Gifted and Advanced Learners in Years 6– 8

Emily Mofield, Tamra Stambaugh • 9781760017309

In the Mind's Eye: Truth Versus Perception invites students on a philosophical exploration of the themes of truth and perception. The book is designed specifically with gifted and high-achieving middle-years and early high school learners in mind. These concept-based lessons are accelerated beyond typical year-level standards and include advanced models and organisers to help students analyse a variety of texts. Students engage in activities such as Socratic seminars, literary analyses, skits and art projects, and creative writing to understand differing perceptions of reality. Lessons include a major emphasis on rigorous evidence-based discourse through the study of common themes and content-rich texts.
