

THE 2nd ANNUAL
INTERNATIONAL
SUMMIT
ON PLC AT WORK®

MELBOURNE CRICKET GROUND (MCG)

29-30 AUGUST 2019

Solution Tree Australia

OVERVIEW

Build and sustain a strong, collaborative professional learning community through a process that is transforming schools around the world. This unique event brings PLC at Work[®] international authors and experts Tim Brown, Sheila A. Eller, Jane Kise and Anthony Muhammad together with Australia's authors and experts Julie Canham and Colin Sloper. You'll hear dynamic keynotes and attend powerful breakouts designed to help infuse the PLC at Work[®] process into every aspect of your school or system.

Whether you are just beginning to build a PLC or need to regroup for your next steps, this summit provides practical knowledge based on the three big ideas that drive a PLC, delivered by experts who know the process best. You'll return to your school ready to work in collaborative teams to achieve outstanding results for the students you serve.

This is one event you won't want to miss.

- Acquire strategies and tips for ensuring student learning sits at the core of your collaborative work.
- Share your challenges with prominent experts and receive advice on next steps.
- Collaborate with colleagues to further your school and team's journey to become an authentic professional learning community.
- Understand the structure required to create genuine collective responsibility for student learning.
- Learn firsthand how Australian Schools have dramatically improved student achievement using the PLC approach.

WHO SHOULD ATTEND?

- Teachers (primary school, high school, special education)
- Curriculum Specialties
- Instructional Coaches
- System Leaders
- Team Leaders
- Principals / Assistant Principals
- Staff Development Leaders
