Unpacking the Common Core Standards Using the UbD Framework (DVD)

Jay McTighe & Grant Wiggins • 9781760560232

In this video, follow a group of teachers and administrators from two districts who come together to learn how the Understanding by Design framework can help them tackle the Common Core State Standards (CCSS). Through interviews, classroom scenes and segments drawn from a Wiggins and McTighe Common Core and UbD Framework seminar, you'll see how to

read and interpret the CCSS document, use the UbD template to unpack the CCSS, introduce the CCSS to using the UbD framework, and bring CCSS-relevant lessons to life in your schools.

Understanding by Design, 2nd Edition

Grant Wiggins & Jay McTighe • 9781741016932

Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Combining provocative ideas, thoughtful analysis and tested approaches, *Understanding by Design* answers these questions and offers teacher-designers a clear path to the creation of curriculum that

ensures better learning and more stimulating experience for students and teachers alike.

Essential Questions

Grant Wiggins, Jay McTighe • 9781743304136

Essential questions (EQs) help target standards as you organise curriculum content into coherent units that yield focused and thoughtful learning. In the classroom, EQs are used to stimulate students' discussions and promote a deeper understanding of the content. Offering dozens of examples, Essential Questions: Opening Doors to Student Understanding explores the usefulness of EQs in all P-12 content areas, including skill-based areas such as maths, PE, language instruction and arts education.
