Making Thinking Visible: How to Promote Engagement, Understanding, and Independence for All Learners

Mark Church, Ron Ritchhart, Karin Morrison • 9780470915516

Visible Thinking is a research-based approach to teaching thinking, begun at Harvard's Project Zero, that develops students' thinking dispositions, while at the same time deepening their understanding of the topics they study. Rather than a set of fixed lessons, *Visible Thinking* is a varied collection of practices, including thinking routines small sets of questions or a short sequence of steps as well as the documentation of student thinking. Using this process thinking becomes visible as the students' different viewpoints are expressed, documented, discussed and reflected upon. The book also comes with a DVD of video clips featuring *Visible Thinking* in practice in different classrooms.
