Understanding and Implementing: This We Believe

John Lounsbury, Edward Brazee • 9781741014044

Based on seminal text *This We Believe*, this Professional Development Kit contains materials and activities to assist educators in their efforts to fully understand the middle years of teaching. It contains information on helping students learn at high levels and demonstrate learning in multiple contexts, meeting intellectual, social, emotional, physical and psychological needs of students and creating a positive, productive and energising climate in the school.

Professional Development Kit 3

Revitalising Teams to Improve Student Learning

John Lounsbury • 9781741013450

Revitalising Teams to Improve Student Learning is an engaging staff-development program that can be carried out locally with no outside assistance and, at least partially, on school time. Sandra Schurr is well known to teachers for the many practical and creative resources she has developed. John Lounsbury is also widely recognised for his numerous publications. Teachers and teams will find this do-it-yourself resource especially practical and helpful.

Professional Development Kit 4

Assessing Student Progress

John Lounsbury • 9781741013467

This Professional Development Kit for middle years educators offers a practical look at the provision of authentic assessment. Considering the limitations of traditional marking and reporting, this resource helps educators build a body of beliefs about assessing student progress and offers alternative strategies for authentic assessment including student portfolios.

Professional Development Kit for Principals

Differentiating Professional Development: The Principal's Role

Michelle Pedigo • 9781741013443

Professional Development for Principals - *Differentiating Professional Development: The Principal's Role*, is based on the simple premise that teachers, like their students, are different. This functional resource provides guidance on ways to differentiate professional development to meet the needs of staff. Teachers have rarely been served well by the common one-size-fits-all experience.
