

## A FRAMEWORK FOR UNDERSTANDING POVERTY

Twilight seminar with Dr Ruby Payne

*A Framework for Understanding Poverty*, is the foundational work of Dr Ruby Payne. Since 1995 *A Framework for Understanding Poverty* has guided hundreds of thousands of educators and other professionals through the pitfalls and barriers faced by all classes, especially the poor.

### ABOUT THE SESSION

In this session Ruby will review research-based strategies structured around 10 action items to educate students. Participants will gain an understanding of the foundational concepts for working with students from low income backgrounds. Participants will also learn about actions they can implement which will have a high impact on outcomes for these students.

In this session participants will:

- Develop an understanding of class differences
- Explore how to build relationships of mutual respect
- Analyse the resources of your students and to develop interventions based on their needs.

### ABOUT THE SPEAKER

**Ruby Payne, Ph.D.** is founder of aha! Process Inc and an author, speaker, publisher, and career educator.

Recognised internationally for *A Framework for Understanding Poverty*, her foundational book and workshop, Dr. Payne has helped students and adults of all economic backgrounds achieve academic, professional, and personal success.

As an expert on the mindsets of economic classes and overcoming the hurdles of poverty, she has trained hundreds of thousands of professionals who work with people from poverty: from educators and school administrators to community, church and business leaders.
