Understanding by Design (UbD)

Intensive Trainers Program Level II

MELBOURNE

Thursday 17 and Friday 18 May 2012

Combining provocative ideas, thoughtful analysis, and tested approaches, **Understanding by Design Intensive Trainers Program** offers participants a clear path to supporting their organisation to create and design a curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

Selected participants will develop advanced knowledge and skills to:

1. Conduct advanced level training at their school with a focus on integrating differentiated instruction with UbD.
2. Support school-wide curriculum development based on the UbD framework (e.g., UbD curriculum mapping for courses and programs, and development/use of Cornerstone Assessments and Common Rubrics).
3. Coordinate/assist on-going UbD staff development and related professional actions in their school (e.g., PLC teams looking together at student work, Lesson Study and Action Research)

Pre-requisites for attendance for Level II

Participants in the Level II Training Program should have:

- A strong interest in continuing their professional learning of UbD
- A demonstrated success in conducting UbD training and support work in their school
- Support from their school to lead or support on-going curriculum and professional development in UbD
- Attended Level 1 training in 2011

Preparatory Activities – Level II

Prior to the training program, selected participants should:

1. Read Differentiated Instruction and Understanding by Design (HBE Code: 105004)
2. Read Schooling by Design (HBE Code: 107018)
3. Provide a brief written description of their school's staff development work with UbD, including a summary of successes and difficulties
4. Provide a brief written description of their school or regional long-range plan to implement UbD
