About the Program

Advanced Seminars provide refinement and depth of learning for those desiring to achieve expert proficiency in Cognitive CoachingSM and are highly supportive of those who wish to begin the pathway to becoming an agency trainer. The program is delivered in two stages, with the second part due to take place in the first half of 2013. By participating in this training, learners will:

- refine and extend core coaching capabilities and skills
- develop skills with advanced forms of paraphrasing, probing for specificity, and inquiring to mediate the thinking of others
- expand the possibilities of and applications for our identities as mediators
- frame personal coaching mastery as a journey, not a destination

Pre-Requisite

Any person who has successfully completed the Cognitive CoachingSM Foundation Training Seminar is eligible to register for this event.

Due to the nature of this training, we can only accommodate 25 participants. Please book your place by July 1st, to avoid disappointment.

*Please note registration only covers Part 1 of the training.
