## Summary:

Grounded in recent research and successful practice, *The New Principal's Fieldbook* prepares new and aspiring principals for the unexpected twists and turns of school leadership. Capitalising on their experiences and those of other educational leaders, authors Pam Robbins and Harvey Alvy offer practical information, research-based strategies and provocative stories to help principals develop into visionary leaders skilled in promoting the success of students and teachers. Surprises, obstacles and opportunities characterise the leadership path. With the chapters, the authors use research and specific examples from recognised practitioners to create a road map for navigating the complex challenges of being a principal.
