### Summary:

How can you create a school environment where everyone, staff and students alike, will become an active and engaged learner? How can you make a difference in your school? Create a school environment that ensures improvement ideas are more likely to succeed by using the guidelines and strategies from this book. After the authors present the foundational principles of group decision-making in a collaborative school, they explain the functions that are key to a dynamic school that embraces change and improvement. Learn how these functions come together to form a learning community that is committed to a continuous improvement cycle.
