- Expanded edition of a bestselling handbook for every teacher
- Over 250 practical strategies for handling everyday classroom issues
- Covers differentiation, motivation, classroom management and more

Summary:

A new handbook for every teacher's desk. Years of research and experience are distilled into practical options for handling the teachers' many tasks: from beginning a class to maintaining engagement, from motivating slackers to managing disrupters, from building efficient routines to cushioning student anxiety, from individualising instruction to maintaining our own sanity. Over 250 specific and workable strategies are included in this greatly expanded edition of the bestseller.
