Summary:

This companion to the best-selling *Qualities of Effective Teachers, 2nd Edition* makes it much easier to implement a staff development, teacher education, or self-help program to improve the six research-based teacher qualities that are most apt to raise student achievement. Use the dozens of assessments, observation guides, planning tools, and other resources. Real-life teacher scenarios, research summaries, and focusing questions help bring the teacher qualities to life and provide an in-depth understanding of the aspects of a teacher's job that yield gains in student learning.
