## Summary:

*The Art of School Leadership* addresses the challenges of school leadership and provides proven strategies for success. Thomas R. Hoerr draws on more than 25 years of leadership experience to offer invaluable advice on running a school. He explains that leadership is about relationships, ones where there is support for teamwork, diversity is valued and everyone is encouraged to grow. Examples are given from Hoerr's own school to outline ways to become a more effective leader and create a culture of learning. The history and future of leadership is also discussed, focusing on how educators can move schools forward.

## Key selling points:

- Includes detailed examples of how to become a more effective leader based on Hoerr's 25 year experience as a teacher and school leader.
- Contains over 100 quotes on leadership from educators around the world.
- Looks to the future and discusses how school leaders can effect the future through the decisions that are made today.
