Summary:

Drawing from years of in-depth research, Robert J. Marzano provides you with guidelines and steps for designing a comprehensive assessment program that ensures assessments and grades lead to timely, accurate feedback on specific, standards-based learning goals. Discover how classroom assessments – from quizzes and projects to assignments and tests – provide your school with the most powerful tool to boost achievement. Learn why point systems and score averaging are ineffective ways to grade students' progress. And get clear advice on how to immediately create better assessments for a single classroom or an entire system
