## Key Selling Points:

### Summary:

It's much easier to spread the insights and strategies from the best-selling Classroom Instruction That Works with English Language Learners to everyone in your school when you have this guide for conducting a workshop or professional development meeting on how to improve the academic performance of ELL students. Field-tested and research-based, this guide has everything you need, including agendas, questions, activities and over 100 PowerPoint presentation slides. Accommodating English language learners is one of the greatest challenges educators face today. This practical guide gives teachers the support they need to help ELLs thrive alongside their English-dominant peers.
