

Productive Group Work: How to Engage Students, Build Teamwork, and Promote Understanding

Authors: Nancy Frey, Douglas Fisher and Sandi Everlove

Date Available:	22 February 2010
ISBN:	978 1 74239 581 4
Code:	109018
RRP:	\$25.95
Format:	180x255, 134 pages
Age Range:	P-12
Category:	Professional Development
Subject:	Collaborative learning

Summary:

Although there's nothing new about collaborative group work, it doesn't always come close to fulfilling its potential as a powerful learning strategy. Here's a book that explains how to create the right circumstances for group learning so that students build on one another's understanding and end up knowing more than they would have working alone. Discover how aligning research-based principles with practical classroom actions makes it much easier. Lots of classroom illustrations across year levels and disciplines ensure you know the best ways to form groups, accommodate mixed readiness levels, and make collaborative learning routines a sure-fire success every time.
