Summary:

Using real examples of primary and secondary schools that have moved change from rhetoric to reality, a giant in the field of school leadership explains how teachers and administrators everywhere can make sure change efforts lead to better results. Whether your school needs to improve literacy, inspire great teaching, increase attendance, reduce dropout rates, reform assessment or reach any other accountability, let Douglas Reeves equip you with what you need to succeed. These lessons have been learned from the author's work with thousands of schools around the world.
