Summary:

A simple way to have more influence in the classroom is to get more power from what you say to your students every day. Here's a book that explains how to do that and gives you 100 tips for talking to students more effectively. Whether you're trying to build relationships with students, give feedback, respond to objections or encourage more participation, here are tried-and-true solutions from an author with more than 30 years of teaching experience. Edwards provides practical strategies for making subtle yet powerful changes in your conversations with students – from how you ask students to hand in their homework on time to how you inspire them to set goals for the whole school year.
