## Summary

Capacity building is the focus of Pete Hall and Alisa Simeral's work, and their strategies are becoming the model for instructional coaching in schools across the country.

*The Reflective Educator Bundle* contains one copy of *Teach, Reflect, Learn: Building Your Capacity for Success in the Classroom* and one copy of *The Reflective Educator: A Collaborative Approach to Building Teachers' Capacity* DVD.

To help you deepen your thoughts and reflect on your capacity as an educator, Pete Hall and Alisa Simeral return to the Continuum of Self-Reflection, which they introduced to coaches and administrators in their best-selling *Building Teachers' Capacity for Success*, and redesign its implementation so teachers can take charge of their own professional growth.

In *Teach, Reflect, Learn*, you'll find tool specifically made to enhance self-reflection of professional practice, including the Continuum of Self-Reflection and the Reflective Cycle. You'll be able to assess your current self-reflective tendencies, identify opportunities to reflect on your instruction and begin to forge a path toward continuous growth and educational excellence.

*The Reflective Educator* profiles teachers working with administrators and coaches to take charge of their professional growth and move along the path to excellence by becoming reflective practitioners.

This video takes an in-depth look at a school where three teachers are taking steps to grow as reflective practitioners with the help of Hall and Simeral's strategies. We see them working in partnership with their administrator and instructional coach to make use of Hall and Simeral's Reflective Cycle and the Continuum of Self-Reflection tools. Each teacher is at a different stage on the continuum, and by observing their practice, we'll learn about specific strategies for growth in each stage.
