Category:	Hi Lo Readers
Subject:	Reading

Key Selling Points:

Summary:

Things seem to be going well for Kathy Benedict. She and her new boyfriend, Todd, have finally managed to put the events of *Don't Blame the Children* behind them. Or so they think. When a mysterious stranger, Ellis, comes to town, their lives are thrown into chaos. For Todd and their former teacher, Mr Vickers, his arrival drags them back to past tragedies they'd hoped to forget. But for Kathy herself, his murderous obsession might just mean that she's his next victim.

This revised Australian edition deals with adolescent themes and is told in simple language that will appeal particularly to English language learners (ESL/ELL) and students who struggle with reading. There is also an accompanying workbook, *Passages: To Slay the Dragon – Student Workbook*, available from Hawker Brownlow Education (1313).
