## Summary:

Jonathan has always felt like a misfit next to his successful stepfather and talented, confident half-siblings. When he visits a country town to find his real father, he also finds himself...and maybe the love of his life. Back at school he follows his dream by applying for the position of assistant editor on the school paper. But hard-drinking, athletic Eric will do anything to stop Jonathan succeed – and to get what he wants from Jonathan's younger sister.

This revised edition deals with adolescent themes and is told in simple language that will appeal particularly to English language learners (ELL) and students (ESL) who struggle with reading. There is also an accompanying workbook, Passages: The Vandal – Student Workbook, available from Hawker Brownlow Education (1315).
