Summary:

At any International sporting competition there is a special excitement in the air. The eyes and ears of the world are on athletes who meet in friendly competition to see who is the fastest runner, the highest jumper, the speediest skier, the most graceful skater. Top athletes from around the world compete for medals signifying that they are the best. This book is about International competition in the Olympic Games. It includes ideas, material and activities that can be used with students at all primary levels. Revised and updated for 2008!
