Summary:

What's the connection between differentiated instruction and curriculum mapping?

Here's your chance to hear the two leading authorities answer that question. This DVD presentation features Carol Ann Tomlinson on differentiated instruction and Heidi Hayes Jacobs on curriculum mapping.

Filmed live at a recent ASCD conference in the USA, these renowned experts explain the key principles and practices of effective curriculum mapping and how they can help plan for content requirements and learner needs.

Discover how to enhance the power of curriculum maps by developing them with student differences in mind as this DVD gives you a front-row seat to two of the most world-renowned educators working today.
