## Summary:

Complete with term planners, week-by-week lesson plans and assessment record sheets, this teacher resource targets VELS learning outcomes for Science, Level 2, Year 2. It comprehensively covers each strand: Earth and Space, Living Things, Matter and Forces & Motion. Each week-by-week lesson plan includes objectives, resources required, skills, step-by-step activities, extension activities and assessment ideas. The activities for each week take an imaginative approach. Young scientists will enjoy developing their skills whilst learning about science and its place in their everyday lives. Together with Science: VELS Student Workbook, Level 2, Year 2, this is your comprehensive guide to teaching science.
