<b>Subject:</b>	Science

### Summary:

This workbook is designed around the VELS learning outcomes for Science, Level 2, and comprehensively covers each strand - Earth and Space, Forces and Motion, Living Things and Matter. It centres on the most important dimensions of early science instruction - Science knowledge and understanding and Science at Work. The workbook is designed to be used with its companion, Science: VELS Teaching and Assessment Resource, Level 2, Year One, which includes: a year planner, term planners, week-by-week plans, assessment record sheets, teaching aids, homework sheets and certificates and rewards.
