## Summary:

*Schooling By Design: An ASCD Action Tool* is an essential toolkit for anyone who wants to apply the principles of Understanding by Design to system-wide school improvement. Inside the three-ring binder is a collection of proven tools for accomplishing the tasks identified in the best-selling book, *Schooling by Design*. Each tool gives you concrete strategies and tactics to further key areas of your school improvement plan – from clarifying the mission to analysing your results. Included with the tools are why and how to use each strategy or tactic, and examples to ease implementation. An accompanying CD-ROM contains all of the tools plus additional bonus tools not included in the binder.
