Summary:

Bridges consultant Jodi Pfarr has captured much of the heart, soul and content of the *Bridges Out of Poverty* workshop. Jodi's humour-filled presentation makes her breadth of knowledge in this field abundantly evident.

Over the course of this audio workshop, you'll listen to stories, comparisons of mental models of poverty and middle class and begin to understand your experience of the societal system. The seminar also includes a detailed poverty analysis, exercises and specific solutions you and your organisation can implement immediately.

Whether this is your first time listening to the *Bridges* information, or whether you are listening again to help integrate the concepts into your thinking, this CD will enhance your understanding and be a great addition to your professional library.
