Summary:

This book is a collection of papers published by Philip E. Devol, co-author of *Bridges Out of Poverty* and a leading voice in helping people come together to end poverty. He doesn't tell us what to do, but he shows us, through clear examples and proven best practices, what's possible when we're all on the same page. You'll discover:

- New ways to talk about poverty, prosperity and community sustainability
- Systematic approaches to ending poverty for individuals
- Community-based models that will work where you live
- On-the-ground perspectives and real-world success stories
- Techniques, training and tips for generating Bridges Communities

Supporting Resources:
