Key Selling Points:

Summary:

The Bridges out of Poverty Audio Workshop presented by Jodi Pfarr includes a detailed poverty analysis, exercises and specific solutions you and your organisation can implement immediately to: adopt an accurate and comprehensive approach to poverty; analyse your environment, circumstances and role in society; build relationships of mutual respect with people from other environments and classes; redesign programs and procedures to better serve people who come to your organisation for help; apply Bridges constructs to your staff and organisation; and address change at the individual, organisational and societal levels. Jodi's expertise and humorous presentation in this seven-CD set will enhance your understanding of Bridges out of Poverty.
