

Working with Students

Authors: Ruby K Payne

Date Available: 18 March 2009
ISBN: 1 74170 745 5
Code: AHA7455
RRP: \$25.95
Format: A5, 152 pages
Age Range: Professional Development
Category: Professional Development
Subject: Professional Development

Summary:

This powerful little guide on classroom discipline will help you get a handle on your classroom management. Discover how to handle different personalities, respond effectively to various types of parenting, set rules and guidelines for behaviours and consequences, reduce inappropriate behaviours and improve student performance. Working with Students is a powerful guide to navigating the behaviour issues that students need to manage in the classroom. This invaluable resource provides teachers with the means to individualise behaviour management for different students, creating a classroom where behaviour is no longer an issue and where every student can work toward their full potential.
