## Summary:

*The R Rules: A Guide for Teens to Identify and Build Resources* is designed to help instructors document the facts and realities of poverty and its impact on your students. Designed to be used in conjunction with *The R Rules: Facilitator Guide*, it is full of tools and activities to help recognise and build individual resources; learn how to recognise and use patterns to predict, problem-solve and plan; and explore economic issues and their relationship to earning and learning. Discover how to deal with poverty and its effect on learning, work habits and decision-making with this powerful workbook resource.
