RRP: \$25.00
Format: 180x250mm, 176 pages
Year Level: Professional Development
Category: Social Skills
Subject: Student Engagement

Summary:

Having witnessed newfound freedom for girls and women during the past two decades, researchers and educators are now turning their attention to the lack of simultaneous growth and autonomy among boys and men.

Dr Paul Slocumb has made this real-time crisis his focus, turning his insight on boys and their pain. He creates a riveting portrait of the emotional abyss that engulfs many of our male children. Particularly powerful are the book's six true case studies and the creative solutions he provides.

This is a must-have resource for any educator tasked with engaging with boys and young men. It provides detailed examples and case studies that illustrate the often difficult task of reaching this area of the student population, and provides real strategies and solutions for engagement and helping to ensure that these learners are never left behind again.
