## Summary:

*Under-Resourced Learners DVD: Assess Resources to Determine Interventions, Strategy 1* from the Under-Resourced Learners series, accompanies the book by the same title and is a perfect fit for staff development, staff meetings or an in-house book study. In this DVD, Dr Payne discusses these resources and how to assess them: Financial; language; emotional; mental; spiritual; physical; support systems; relationships/role models; and knowledge of hidden rules. The good news is that resources can be developed – at any stage in life! Discover how to create successful interventions that build on a student's strongest resource.
