Summary:

Under-Resourced Learners DVD: Build Relationships of Mutual Respect with Students, Strategy 2 from the Under-Resourced Learners series, accompanies the book by the same title and is a perfect fit for staff development, staff meetings or an in-house book study. In this DVD, Dr Payne discusses seven characteristics of relational learning as the foundation of an environment that promotes cognitive success. A student's relational learning can be determined by these characteristics: Relationships of mutual respect; positive peer groups; coaches or advocates; successful role models; bridging social capital; a plan for learning performance; and a safe environment.
