Summary:

Under-Resourced Learners DVD: Teach Formal Register and Story Structure, Strategy 3 from the Under-Resourced Learners series, accompanies the book by the same title and is a perfect fit for staff development, staff meetings or an in-house book study. This DVD references the work of Martin Joos, who noted that every language in the world has five registers: Frozen, Formal, Consultative, Casual and Intimate. Dr Payne defines these registers, and explains their role in student vocabulary development, conceptual organisation and conflict resolution issues.
