## Summary:

*Under-Resourced Learners DVD: Build Relationships of Mutual Respect With Parents*, Strategy 6 from the Under-Resourced Learners series, accompanies the book by the same title and is a perfect fit for staff development, staff meetings or an in-house book study. Dr Payne shares six steps to gain a complete picture of a student's academic progress and to raise achievement, including how to: Grid individual student performance; establish a relationship between content and time; provide high-quality instruction; measure the learning through formative assessments; and create interventions and embed processes into the timetable. Using this DVD will help build professional dialogue and focus school activities on student learning – a systematic and collegial approach to monitoring student learning.
