<b>Category:</b>	<b>English/Maths/Science</b>
<b>Subject:</b>	Arts, English, Maths, Science

## Summary:

Whatever their interests, your child will love the creative and thought-provoking activities found in Challenge Your Child. Each page has been carefully crafted to emphasise one or more levels of cognition. In addition to challenging a child's knowledge and comprehension, activities guide the child to apply, analyse and synthesise information. The activities cover a range of topics including logic, English, literature, maths, art, science and exploration. They allow your child to investigate, explore and create while reinforcing basic curricular knowledge. The puzzles, experiments and varied activities in this book are sure to capture your child's imagination. Challenge your child today!
