

Science Passwords: Vocabulary for Science – Physical Science (CD-ROM)

Date Available:	November
ISBN:	9 781741 707939
Code:	CA10552
RRP:	24.95
Format:	CD-ROM
Age Range:	Years 6–12
Category:	Science
Subject:	Physical Science

Summary:

Science Passwords: Vocabulary for Science – Physical Science is designed to expand the scientific knowledge of students, and incorporates a student book, CD-ROM and teacher guide. The student book clearly explains such aspects of Physical Science as matter, chemistry, motion, forces and energy, magnetism and electricity, while the CD-ROM contains numerous reading passages from the book that are especially useful for auditory learners and ELLs. Students and teachers alike will enjoy these clear, comprehensive, easy-to-understand and age-appropriate CD and books – they will boost both the scientific and vocabulary knowledge of all students, and be of great use for teachers struggling to impart scientific concepts.
