Summary:

Comprehensive Assessment of Reading Strategies II is the assessment section of a reading program that begins with diagnosis (CARS Series), helping you assist your students to become stronger readers that perform at their true potential. New levels P and AA assist pre-reading students and lay the foundation for lifelong reading success, with an emphasis on determining their proficiency and improvement in six key reading strategies, measuring their improvement in comprehension after instruction and providing important practice with self-assessment. Take the classroom and research-tested CARS II Series to your earliest readers and guarantee them the best possible start in literacy instruction.
