### Summary:

The easy-to-use CARS Series helps you plan the work your students need to become stronger readers and to perform at their true potential. As they work through the lessons, students gain an awareness of reading strategies and evaluate their own progress. New levels P and AA assist pre-reading students and lay the foundation for lifelong reading success, with an emphasis on developing six key reading strategies, identifying their level of mastery and providing practice with self-assessment and goal-setting. Take the classroom and research-tested CARS Series to your earliest readers and guarantee them the best possible start in early literacy instruction.
