Summary:

Build school readiness with these fun, easy-to-plan developmental activities. The *BRIGANCE® Readiness Activities* link to the assessment in the *BRIGANCE® Screens and Developmental Inventories* to provide instruction and practice in key school readiness skills.

The *Brigance Readiness Take Home Activity Books*:

- Link assessment with instruction
- Build home-school connections through family letters and take-home learning plans and activities
- Include clear and easy-to-use student activity pages for parents to use with their children at home.

The *Take-Home Activity Books* give families the opportunity to partner in their child's learning. This booklet, 'Understands Numbers', links directly with the same skill in *Brigance Prescriptive Readiness*, section 23.
