Code: CA11816
RRP: \$49.95
Format: A3, 40 pages
Year Level: Early Childhood
Category: Brigance
Subject: Childhood Development

Summary:

The comprehensive, user-friendly BRIGANCE Early Childhood Developmental Inventory provides teachers with a flexible, valid and reliable ongoing assessment of school-readiness skills.

- Identify children's specific strengths and needs, and set individualised instructional goals
- Measure and report progress over time
- Link ongoing criterion-referenced assessment to the BRIGANCE® Early Childhood Screens and Readiness Activities

This Record Book allows examiners to easily record an individual child's progress in a clear and accessible format as they move through the Early Childhood Developmental Inventory. Each assessment item is included for ease of scoring, with ample space for notes and observations, and an 'Approaches to Learning Tracking Chart' that tracks students as they progress.

Easily monitor individual progress toward early learning standards or foundations and plan developmentally appropriate, individualised instruction.
