## Summary:

The new *Brigance Screens III* offer developmental screening of children from infancy to year one. The *Screens III* support the efforts of early childhood educators and others working with children to identify potential developmental delays, as well as giftedness, and inform instruction and monitor child progress.

The *Brigance Screens III Technical Manual* is an extensive and valuable resource for any educator, parent or professional using the *Brigance Screens III*. It is a comprehensive manual detailing the science behind the newly updated *Screens III* and the extensive U.S. national study that has made them more accurate and useful than ever. The *Technical Manual* also includes specific information on how to administer the *Screens III* with subjects, interpret the results and monitor progress. Additionally, it offers a complete technical breakdown of the standardisation process and information on the reliability, accuracy and validity of the *Screens III* as detailed early childhood screening instruments.

It also includes sample data sheets, information forms and sheets for parents, and details on comparing the *Screens* to other screening tests. The *Brigance Screens III Technical Manual* is the complete guide to the detailed science behind the *Brigance Screens III* and the process of administering them.
