Summary:

The new *Brigance Screens III* offer developmental screening of children from infancy to year one. The *Screens III* support the efforts of early childhood educators and others working with children to identify potential developmental delays, as well as giftedness, and inform instruction and monitor child progress.

This resource contains 50 copies of the data sheet required to record the results of the *Screens III* for a four-year-old child, as well as a carbon paper copy for each data sheet to create a facsimile of the results for your records.
