Summary:

Help your students improve their spelling and writing skills with these easy-to-use reference guides. The QUICK-SPELL Word Finder lists 3000 words alphabetically and includes their suffix forms, totalling more than 10,000 of the most common words used in writing. Students independently check spelling and vary word choices in writing. It's like a mini-dictionary for young writers, and a quick, easy-to-use guide as to the best way to use words that they might be uncertain of. QUICK-SPELL is also a useful tool for ESL students, as its list of word suffixes can eliminate confusion for those unsure of which to use.
