Summary:

Help your students learn to write the right way. The QUICK-WORD series has been updated with a fresh new look and includes words that students use frequently in their writing. This handbook includes: writing lines for students to add their personal writing words; a homophone guide and sentences; days, months and number words; common abbreviations; and suffix references. Give more advanced writers 2800 high-use writing words to help them expand and improve their writing skills in everyday activities and situations. Also includes: a list of common abbreviations used worldwide; states and territories, and their capital cities and postcodes, and more.
