Summary:

The QUICK-WORD series has been updated with a fresh new look and includes words that students use frequently in their writing. Give beginning writers the basic 330 words they need to begin writing sentences. Each word is introduced by showing it in the context of a sentence and also provides all word forms. This handbook includes: writing lines for students to add their personal writing words; colours, animal and food words; days, months and number words, words commonly used in schools; and seasonal and weather-related words. It is the perfect quick and easy reference for emerging writers and English students.
