

Hawker Brownlow Education

IED–II Developmental Record Book (Pack of 50)

Author: Albert Brigance

Date Available:	1 October 2007
ISBN:	1 74170 501 0
Code:	CA9565
RRP:	\$125.00
Format:	A4, 32 pp, pack of 50
Age Range:	Birth–Developmental Age 7
Category:	Special Needs
Subject:	Underachievement

Key Selling Points:

- Clear directions for administration and record-keeping of the assessments
- Records ongoing assessment and progress to review with staff or parents
- Tracks assessments administered, responses, progress and instructional objectives

Summary:

The Inventory of Early Development–II (IED–II) is used in early childhood programs, preschools and day-care centres. In addition to helping identify “at risk” infants and preschoolers, the IED–II tracks development, assists with instructional planning and is useful for communicating with parents.

The Developmental Record Book allows assessors to record criterion-referenced and standardised results for each child to provide information to diagnose strengths, pinpoint areas of weakness and monitor progress.
