### Summary:

Strategies to Achieve Reading Success (STARS) is the teaching section of a 5-step reading program that begins with diagnosis (CARS), helping you instruct your students to become stronger readers that perform at their true potential. All levels of the series assist pre-reading and later students to understand and lay the foundation for lifelong reading success, with an emphasis on building fundamental skills in individually targetted reading strategies, using a step-by-step approach to achieve success and preparing students for later assessment in comprehension. Take the classroom and research-tested STARS Series to your readers and guarantee them the best possible literacy instruction.
