Summary:

This title includes 99 multi-national and multi-cultural folk tales which encapsulate character education themes and anti-bullying messages in a wonderfully entertaining, engaging narrative framework. A professional storyteller, the author provides a range of diverse stories; suggestions for display boards and student activities; and reasons and advice for telling stories, rather than simply reading them. She also offers hints and tips for teaching the art of storytelling to encourage the development of communication skills and foster classroom unity. Welcome your students to the world of storytelling, where good character and community spirit flourish, and the reign of bullies ceases.
